BE PART OF AN INCREDIBLE STORY OF CHRISTIAN SERVICE

The Christian communities of the Middle East are the oldest in the world, tracing their roots back to the Early Church. Today they continue to be salt and light, bringing healing and hope through faithful service to their neighbours.

Since 1854 Embrace the Middle East has been supporting their work, helping to sustain Christian social witness in the lands that are the cradle of our shared faith. Where there is a need – for refuge, for healthcare, for education, for justice and human rights – together we respond.
